

# PLAN Committee Applications (Regional Leads)

## Background

The Pan-London Perioperative Audit and Research Network (PLAN) is a trainee collaborative group. We aim to deliver high quality, large-scale quality improvement and research across London. Being part of PLAN will enable you to contribute to project selection and development as well as assisting with running of the network.

## The post

The appointed trainee regional leads are required to:

- Promote PLAN at a local level
- Provide a point of contact for PLAN members
- Troubleshoot local issues regarding project implementation
- Support project leads to facilitate project implementation at a local level
- Have primary responsibility for recruitment of local Consultant and Local Trainee Leads for PLAN adopted projects at all sites within their region
- Escalate issues / share successes at the core committee meetings
- Coordinate with other regional leads to ensure at least one regional lead is present at each committee and project meeting.

## Selection criteria

Criteria	Essential	Desirable
Qualifications	Fully registered under General Medical Council upon commencement	Finished Final FRCA Interested in completing further education (MSc / PhD)
Experience	One year anaesthetic clinical experience	Thorough understanding of the interface between QI and Audit / research
Research	Understanding of research principles Completed NIHR Good Clinical Practice (GCP) training	Previous involvement (leading, recruiting and/or reporting) in research projects. Prior involvement in PLAN activities
Quality Improvement	Understand principles of quality improvement principles	Previous involvement (leading, recruiting and/or reporting) in research projects
Communication	Good verbal and written communication	Ability to engage with social media
